

Health & Safety Policy

It is the Policy of CLG Developments Ltd. that work will comply with the Safety, Health & Welfare at Work Act 2005, the Construction Regulations 2006 and amendments, the General Application Regulations 2007 and amendments and all statutory provisions. It will also ensure that it is in line with CLG's Integrated Management System. All reasonable practicable measures will be taken to manage safety to avoid risk to employees or others.

Management and supervisory staff are responsible for implementing this Policy throughout the Company. They will ensure that health and safety considerations are given priority in planning and day-to-day supervision of work.

All employees, sub-contractors and visitors are expected to co-operate in implementing this Policy and must carry out their own work, so far as is reasonably practicable, without risk to themselves or others. Persons are not permitted to be under the influence of an intoxicant at any time.

The objectives of our safety policy are:

- The prevention of Personal injury and ill-health
- The prevention of damage to property
- That safety systems are monitored/updated on a regular basis
- That there is a constant ongoing commitment to Continuous Improvement.

This Statement of Company Policy will be freely available to employees at work locations.
